

YeboSell

Sell smarter. Reach further. Grow together.

yebosell.co.za
Lesotho & South Africa

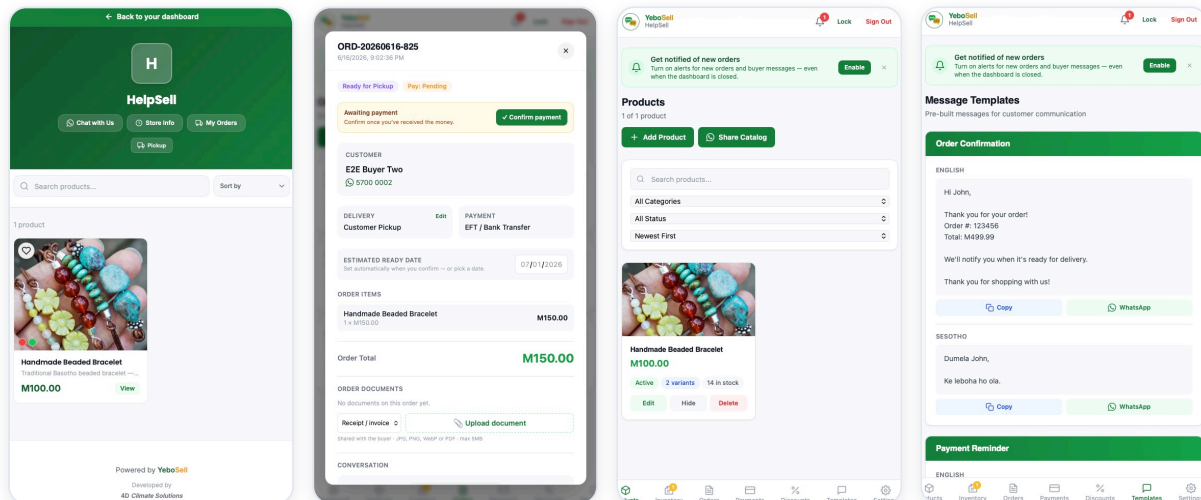

Your own online store, in a few simple steps.

YeboSell turns your WhatsApp, Facebook or Instagram selling into a real store — products, inventory, orders, payments and delivery tracking in one place. No WhatsApp Business API, no monthly fees, and you keep every cent: buyers pay you directly.

WHAT YOU GET

- ✓ **Your own storefront**
A shareable link buyers browse and order from.
- ✓ **Buyer order tracking**
Each buyer gets an installable tracking link.
- ✓ **Discounts & delivery**
Promo codes, delivery fees and prep times.
- ✓ **Messaging & templates**
In-app chat, SMS and one-tap WhatsApp, EN/Sesotho.
- ✓ **Order management**
One clear flow from New to Delivered.
- ✓ **Inventory & variants**
Sizes, colours and live stock counts.
- ✓ **EFT & multiple banks**
Show buyers your bank details for direct pay.
- ✓ **You keep your money**
Buyers pay you directly — YeboSell never holds funds.

HOW IT WORKS

1

Create your store

Sign up with your phone, add products and your bank details.

2

Share your link

Post it on WhatsApp, Facebook or Instagram.

3

Manage & get paid

Take orders, update status, and get paid directly.

YeboSell

Sell smarter. Reach further. Grow together.

Simple, fair pricing
Pay only when you sell

SIMPLE PRICING

5%

per paid order (goods subtotal, excl. delivery). No monthly fee.

M0

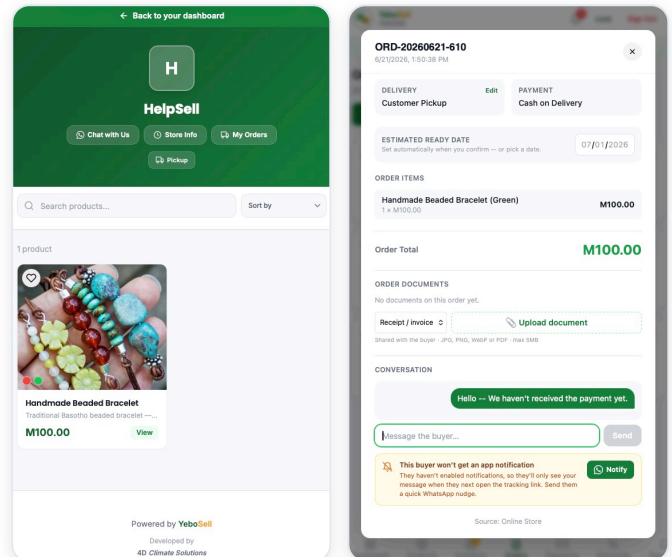

to start and to run your store — you only pay when you make a sale.

First 10 free

Launch offer: the first 10 sellers get their first 10 orders free.

WHAT YOUR BUYERS EXPERIENCE

1. **Browse & order** — they open your link, add items to a cart and check out with their name, phone and delivery choice.
2. **Agree & place** — they accept the buyer terms and place the order, then get a tracking link to save to their phone.
3. **Track & chat** — they follow the order status, chat with you, see your bank details, and can cancel before dispatch.
4. **Pay you directly** — by EFT or cash. No card fees, no middle-man holding the money.

WHY YEBOSSELL

- ✓ **No WhatsApp Business API.** Nothing to apply for — share a link and message buyers from your own number.
- ✓ **Built for Lesotho & SA.** Prices in Maloti, EFT / EcoCash / M-Pesa / cash, Sesotho message templates.
- ✓ **Secure sign-in.** Phone SMS code plus a personal PIN to unlock your dashboard.
- ✓ **You keep your sales.** Buyers pay you directly; the 5% fee is billed separately, never deducted.
- ✓ **Works on any phone.** No app store needed — it runs in the browser and installs to the home screen.
- ✓ **Signed agreements.** Sellers and buyers accept clear terms — a record is kept for both sides.
